## Kooltech supply a wide range of plenums ideal for use with Mitsubishi Electric's range of ducted air conditioning units.

Kooltech offer a wide range of sizes to suit every application. Correct sizing and positioning of outlet spigots will help improve system efficiency. We offer a choice of spigots designed to keep any potential air pressure loss to an absolute minimum. Kooltech also offer a wide range of Return Plenums suitable for use with the range of Mitsubishi Electric's ducted air conditioning units. Fire retardant plenums are also available on request. Please contact your local branch or Sales Manager for details.

| Description           | Mitsubishi Electric Unit | Volume | Recommended Spigotts | Velocity | Code     |
|-----------------------|--------------------------|--------|----------------------|----------|----------|
